

A promotional graphic for the CosmoTaxi app set against a dark purple space background with a starry nebula. The graphic features a large smartphone displaying the app's interface, which includes a map with two locations marked, and two fare options: \$12.00 for a 4-person vehicle and \$20.00 for an 8-person vehicle. A yellow button at the bottom right of the phone screen says "Заказать" (Order). To the left of the phone, the text "Fast and comfortable travel across the galaxy" is displayed in large blue letters. Above this text is the CosmoTaxi logo, featuring a stylized rocket ship icon next to the brand name. Below the phone, a QR code is centered, surrounded by a large, glowing teal and orange swoosh that curves from the bottom left towards the top right. At the bottom left, a small blue star is accompanied by a yellow button with the text "Download App".
